This completed and occupied 3,144 sq ft, 4-bedroom, 4-bathroom home with a den offers generous living potential for anyone looking to refresh or modernize a property in a quiet canal-front location. Set on a peaceful waterfront lot, the home features its own private dock, perfect for boating enthusiasts or those who enjoy easy access to the water. The existing floor plan provides a strong foundation—multiple bedrooms, a versatile den, and well-proportioned living areas—while still offering plenty of scope for personal updates and improvement projects. While some areas would benefit from renovation, the property presents an excellent opportunity for buyers seeking a home with long-term value and the ability to tailor finishes to their taste. Located within the well-established Auburn Bay community in Prospect, the property offers a relaxing residential setting just minutes from schools, shops, restaurants, and George Town. If you're seeking a canal-front home with potential and a private dock, this one is worth viewing. Contact us today for further details or to arrange a private showing.
