This completed and occupied 3,144 sq ft, 4-bedroom, 4-bathroom home with a den offers generous living potential for anyone looking to refresh or modernize a property in a quiet canal-front location. Set on a peaceful waterfront lot, the home features its own private dock, perfect for boating enthusiasts or those who enjoy easy access to the water. The existing floor plan provides a strong foundation—multiple bedrooms, a versatile den, and wellproportioned living areas—while still offering plenty of scope for personal updates and improvement projects.
