With over 600 feet of shoreline, the property stretches wide along the Caribbean Sea, offering uninterrupted views, constant breezes, and that rare feeling of having space to breathe. There's enough depth and width here to plan thoughtfully—guest cottages, a pool terrace, outdoor dining decks, yoga platforms by the water—the possibilities truly are endless. Property Highlights: Approx. 6 acres of prime seafront land 600+ feet of Caribbean Sea frontage Ideal for a private estate, villas, or development project Wide, usable parcel with multiple layout options Quiet, natural setting with a true island feel A standout opportunity on Cayman Brac's South Side, this stunning parcel delivers scale and shoreline rarely available anywhere in the Cayman Islands.
