Located in the new gated waterfront community of Harbour Reach, this ready-to-build parcel includes a 40-foot cantilevered boat dock and interlocking seawall. A rare opportunity to create your ideal home on the water. Harbour Reach lots are fully de-mucked, filled with compacted aggregate and safely retained by a unique "Keystone" sea wall, avoiding the need for expensive pilings (subject to engineering surveys). The gated neighbourhood is designed with landscaped roads, jogging trails and walking paths. Protective covenants help maintain the community's quality and long-term value. This is a smart choice for those looking to invest in one of Cayman's top waterfront neighbourhoods with strong potential for future growth. Residents of Harbour Reach benefit from close proximity to Harbour Walk, a mixed-use development within walking distance. This new community features a great selection of restaurants, bars, commercial offices, and multiple gyms, including a state-of-the-art yoga and spin studio and Hurley's Supermarket next door. With direct access to the North Sound from your dock, this location combines convenience, lifestyle, and investment appeal. Get in touch today to discuss further.
